EYFS

Trinity CE Primary School
To excel, to value, to enjoy, together

EYFS Curriculum Newsletter - Autumn 2 2026

English - The Write Stuff: This term we will be looking at the story How to catch a star by Oliver Jeffers. We will be looking at different words we can use to describe a star. We will be using our phonics knowledge to write CVC words and we will be looking at sentences that contain CVC words and how to write them. WE will also be introducing what a sentence needs, such as a capital letter, full stop and finger spaces.

Maths - Maths Mastery (White Rose Maths)

In Maths we will be looking at subsisting to 5, ensuring that the children can identify numbers, 1 to 5 without counting them and seeing them in different forms and knowing what the number is instantly. We will also being ordering numbers to 10 and identifying what number comes before and after any given number to 10.

We will then move onto shape and we will look at different kinds of shapes, such as circle, triangle, square and rectangle and identify them by how many sides they have. We will also be looking at size and ordering from smallest to largest.

Learning Means The World

In the Autumn term EYFS will have two topic in LMTW, the first will be called Blast off and the second will be entitled the Spirit of Christmas.

In the topic Blass off, we will be looking at all things related to Space. How do we get into space, what will we see when we get there, what will we need to travel into space? We will start this topic by dressing up in space etire.

Our second topic is The Spirit of Christmas, here we will look at how Christmas is celebrated around the world and how different countries celebrate in different ways.

Dates for your diary:

Wednesday 11th November - Remembrance Service at Holy Trinity Church @ 10:45am

Thursday 12th November- Space Day

Friday 14th November - Children in Need

RE - ODBE Schools

We will be looking at different religions and how different festivals are celebrated in different religions. We will look how Diwali is celebrated by Hindus and how Christmas is celebrated by Christians.

PE

Movement and Ball skills Led by MNR coach.

In PE we will be looking at different ways we move our bodies.

We will be looking at different types of movement, such a running, hopping and skiiping. We will then move onto ball skills and work on throwing and catching a ball.

Reminder: PE Day is Monday for Bryon Class Tuesday for Jeffers Class

If you have any questions, please contact your child's teacher via the class e-mail bel
